

## Blossburg News and Views June 8th Edition

Good morning Blossburg. I would like to take a few minutes to reflect on the next paragraph. I felt that this needed to be put in my column. Thank you for taking the time to read it.

I want to thank everyone who stepped in to help our town after the storm hit us. People were rescued, people were fed and some had help with repairs. Tree removal, the cleanup of the Island Park, our police, fire and ambulance departments really shined in our town's hour of need. There are so many others to thank I cannot even list each to thank them. But something should be written up to express our gratitude for everyone who helped. Please remember to pray for the Millerton area and Knoxville they have both been hit as hard with storms. We are blessed to have a community as caring and helpful as our own. (Lonny Frost)
