

****ATTENTION BLOSSBURG BOROUGH RESIDENTS****

RECYCLING SCHEDULE CHANGE & CHANGE IN PICK-UP COMPANY

Beginning **WEDNESDAY, DECEMBER 13th** the **RECYCLING** pick-up will go from WEEKLY to BI-WEEKLY and will **ONLY** be collected on Wednesdays. Your garbage pick-up will remain weekly.

This means that if your regular **RECYCLING** pick-up is Tuesday then you will need to put your recycling out for collection the following day on December 13th. If you are a Wednesday pick-up resident, then the **ONLY** change you will have is recycling going to bi-weekly pick-up.

The next **RECYCLING** pick-up would then be **December 27th**. These 2 pick-ups will be collected by Blossburg Sanitary Department as usual.

As of **January 1, 2018** Northern Tier Solid Waste Authority will begin collecting your **WEEKLY Tuesday & Wednesday GARBAGE** and **BI-WEEKLY Wednesday RECYCLING**. The first pick-up for bi-weekly recycling collected by Northern Tier will be **January 10th**.

The same guidelines apply to the recycling through NTSWA as they did through the Borough. Please plan accordingly.
