We know you LOVE your community!

When you attended free events at your local library, have received aid when in need due to sickness, fire or natural disaster, visited your local food pantry or enjoyed local parks and free community events – It was possible due to generous people like you!

North Penn Area United Fund

In cooperation with Blossburg VIBE, the North Penn Area United Fund is committed to improving the quality of life for those who live, work, play or attend school within in Blossburg and surrounding communities.

Blossburg Visions in Business and Entertainment (V.I.B.E.) is a 501(c)(3) nonprofit organization created to envision plan and implement projects that will enhance the quality of life for those who live, work, play or attend school in Blossburg

Each year since 1997, a collection drive within the Blossburg area is held to raise funds to distribute to municipal, community and non-profit organizations that serve the Arnot, Blossburg, Covington and Morris Run residents.

Last year we dispersed \$11,600 to eight organizations!

To continue this tradition, we are asking for your help. Deciding how to invest in your community is an important decision and together we can help those organizations that make your community that great place to live, work and play.
